

University of Texas at Tyler

Department of Electrical Engineering

REGISTRATION ADVISING FORM

Directions to the student: You must meet with your academic advisor each semester before you will be allowed to register for classes. Complete this advising form each semester and bring it with you to your appointment with your academic advisor. Also complete this form and bring it to your advisor if you are considering adding courses to or dropping courses from an existing registration.

Student: _____ ID No. _____

Semester Fall Spring SS1 SS2 SS 10 Week Year: _____
 (check one): Other (explain): _____

Advisor: _____

Courses			Prerequisite / Co-requisite * Courses	Schedule	
Computer Call No.	Course & Section	Course Title		Days	Times

**List prerequisite and co-requisite courses by course numbers or write "none" if there are no prerequisites or co-requisites. Information about prerequisites and co-requisites is found in the course descriptions in the UT-Tyler Catalog. Advisor is to verify the following before permitting the student to enroll: (a) all prerequisite courses are either currently in progress OR have already been completed with grades of C or better; (b) co-requisite courses have been listed.*
